End of an Era

Thanks Sharon!

Sharon Reed, long-time member of St. Timothy, addresses parents and children at the Learning is Fun Preschool end-of-year program for the last time, May 28. About 75 children sang and celebrated her loving service and commitment to preschool education during the program. Sharon founded and has operated Learning is Fun at St. Timothy for more than 40 years. She presented the preschool to the congregation as a gift at the annual congregational meeting in January. She officially retired May 31, and the congregation, through its leadership, has assumed ownership and responsibility for the school. Sharon will still teach music at the school and remains available to advise the congregation and Learning is Fun’s director Donna Andreoni.

JULY 2015
Our leader said the point of the maze was to learn that we need to ask God for help sometimes. And I wonder if there is a deeper truth at work in this activity.

Salvation comes to us not as a means of escaping a dying world, but as a way of living in the world differently.

Salvation comes to us not as a means of escaping a dying world, but as a way of living in the world differently.

When we look to Jesus, God shows us a different way of living in the world. Instead of accumulating goods, Jesus teaches us to give thanks to God and share generously with those who are poor. Instead of manipulating others through threat of violence and death, Jesus shows us how to stand for the truth with our very lives. Instead of reinforcing the popular false images of God and human reality, Jesus puts our false images to death and transforms our vision. In short, Jesus frees us from the weight of sin so we can live differently.

Sin is an abstract name for a concrete reality. The truth is we, all of us, are too heavily influenced by our own self-interest to see God and the world clearly. We know one way of doing things. Our way. And we have very little tolerance for anyone who does it differently, especially if their way threatens our own sense of comfort and control. But Jesus shows us a different way, and his own righteousness covers the multitude of our sin. Maybe this is why asking Jesus for help is so important. In the endless maze of sinful self-interest, Jesus can see clearly. We can’t. Trust in Jesus, and he will show you a better way.

I spent a week in June at Lutherdale Bible Camp in Elkhorn, WI with five of our confirmands. It was a great experience! We sang together, played together, prayed together, ate together and read the Bible together. All the time we were learning to trust God, to trust one another, and to work for justice and peace.

One morning our group leader took the kids back into the woods. Blindfolded, she led them to a maze created by stringing a series of ropes among nine or ten different trees. She placed the hands of each person somewhere along the rope and told them to walk until they saw the light at the end of the maze. Our group stumbled through feeling their way around trees, ducking under three way knots and turning this way and that until they were so lost and confused they simply stood still. Finally, one brave soul asked for help.

The leader went over, took her by the hands and guided her to the end of the maze. When the girl pulled off her blindfold she realized the truth: the maze had no end! All the ropes were strung and knotted in a gigantic loop! You could not escape the maze without asking for help.

Paul writes:

“Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight and the sin that clings so closely, and let us run with perseverance the race that is set before us, looking to Jesus the pioneer and perfecter of our faith, who for the sake of the joy that was set before him endured the cross, disregarding its shame, and has taken his seat at the right hand of the throne of God. “ (Heb 12:1-2)
Worship and Music

Sermon in song, Sunday, July 12
We have scheduled another “Sermon in Song” this summer and your help is needed. Please submit your favorite hymns throughout the month of June so they can be woven into a sermon for the service on Sunday, July 12. The Saturday service will be unchanged. You can email your suggestions (kandrade@sttimothy.com), or write them on a slip of paper and put it in the basket on the worship table.
I’m looking forward to partnering with you again on this journey.
God’s peace, Katie

Summer children’s sermons
During the summer, “brown bag” children sermons will be back on Sunday morning, during worship. The children will have an opportunity to share something that fits in a brown paper grocery bag that’s important to them and share its significance in their lives.
The pastors will weave that into a message of faith for the week. We hope to see many children with us for worship during the summer months!

Around St. Timothy

Boys & Girls Club of Naperville summer program at St. Timothy
The church building buzzes with activity on weekdays this summer with the addition of a Boys and Girls Club program to our ministry partnerships at St. Timothy.
Program director Sherid Smith reports 41 children, ages 4-12, are registered in the program which runs from June 8 through August 14, 8:30 a.m. to 5 p.m., Monday through Friday.
Mornings focus on enrichment of core skills, such as reading, writing and mathematics. Afternoons broaden students experience through music, dance, theater and improving their health, dietary and fitness practices. Youth come from area communities and various school districts to participate in the program. At least one student comes from as far away as Tinley Park.
Five teachers lead the youth through their various educational activities. Others involved include three Naperville North students who work specifically with health and fitness activities.
During the summer, some of the youth will go off-site to participate in a week-long theater camp; others will participate in a golf camp taught by mentors who assist at the school. Smith is seeking additional teens and adults to serve as mentors and helpers during afternoon sessions. You can contact her at 630–335-7037 for information and to volunteer.

**Library notes**

It’s vacation time. How about a trip to the **Holy Land**? Check out these library resources:

*Rick Steve’s Holy Land DVD.* This newest public television special was filmed in 2013. In Israel, Rick travels from Jerusalem to Tel Aviv. In Palestine, he harvests olives near Hebron, visits a home in Bethlehem and pops into a university in Ramallah. He weaves together narratives from both sides, and also learns about security walls, disputed settlements and the persistent challenges facing the region.

*Pilgrimage: My Journey to a Deeper Faith in the Land Where Jesus Walked by Lynn Austin,*

(biography section) As she journeys through Israel, Lynn turns to Scripture at each site she visits. With a fiction writer’s eye for detail, she seamlessly weaves events with insights from the Word. Her tour of the Holy Land revives her own parched spiritual walk. The impressions she shares and the connections she makes while visiting the land where miracles happened are perceptive and illuminating. Lynn’s interpretation and comparison of the Old Testament and today’s world and what that can mean for Christians makes this an interesting book that will be enjoyed by both women and men. The book is recommended for those who may have or will travel to Israel, and also to those who seek to renew their Christian commitment.
Bridge Communities update

Mentorship has had a significant impact on my life, starting with mentors who have modeled what it is to have support, friendship and direction when needed. As mentors, my parents, close family friends and godparents have had led me to choose a career in the Human Services field as a Case Manager.

Aside from doing lots of paperwork, I have learned that the job entails being a mentor for those who are overwhelmed by their circumstances. I have always viewed my work as a way of living out my faith through compassion, grace and encouragement. Mentorship is a way to connect and provide a different view point, a path through chaos or just a shoulder to lean on.

I've had the pleasure of volunteering as a mentor for the family St. Timothy Lutheran Church sponsors through the Bridge Communities program, since the end of August 2014. The family we are working with is doing well. Since starting the program, the mom has obtained permanent, full time employment; obtained reliable transportation and has worked diligently on strengthening her budgeting skills. She is scheduled to begin classes to increase her marketability for further employment.

There is a total of five mentors from St. Timothy. We bring a great blend of differing perspectives and strengths to help the family become self-sufficient.

The Bridge program is a two year commitment and as the first year comes to a close, we are excited to see where the second year will take the family.

Camp Noah team returns to Washington

St. Timothy’s Camp Noah team returned to Washington, IL, June 15-19, serving 49 children in the therapeutic day camp that helps children cope and heal from the emotional wounds from a natural disaster. The team previously led a Camp Noah week in Washington in March 2014 and eagerly returned to serve children not reached by the first camp. Both camps were hosted at Faith Lutheran Church, Washington. The team was blessed with the support and assistance of committed local volunteers. Hundreds of homes, apartments and businesses were destroyed or badly damaged in the EF4 tornado that smashed the community in late November 2013, killing two and injuring many others. Some of the children served in this summer’s camp have only recently been able to return to their homes. St. Timothy’s team expressed appreciation for the new friends and partners they found and ask for continued prayers for the children and families served by the camp.

A rare double rainbow over Washington, IL reaffirmed to the Camp Noah team and participants that God keeps His promises to us.

Confirmation Camp at Lutherdale

Five of St. Timothy’s junior high/middle school youth recently returned from Living Waters Confirmation Camp at Lutherdale Bible Camp in Elkhorn, WI (near Lake Geneva), June 14-19. The campers joining Cindy Mohns and Pr. Daniel were Matthew Bernardi, Reece Maffit, Abby McKenna, Catherine McKenna and Logan Merrihew.

We all had a great week enjoying ourselves, learning, growing and having fun in so many different ways: team building, Bible study, worship, swimming, canoeing, arts and crafts, all-camp events, high ropes, climbing the tower, playing games, making new friends and growing our relationships with each other and God. Ask any of us about our week at camp. We’ll be glad to share!

Everest Expedition—VBS 2015

St. Timothy was converted into a magical mountain wonderland as we headed out on our expedition to Mount Everest for VBS the week of June 22 – 26 with more than 60 children gathered to learn how God has the power to provide, comfort, heal, forgive and to love us forever. They had an amazing week!

Thank you to the many adults and youth who helped in so many ways: making and putting up all the great mountain decorations, teaching and leading our Bible stories, making fun and exciting crafts/science experiments, leading energetic games, creating delicious snacks, singing and dancing to the catchy music, preparing a fun Friday Night Celebration and working so well together. A special thank you to our four VBS Directors: Lindsay Casten, Julie Loos, Kristina Sakaityte-Osowski, and Tonya Schmidt, who worked hard for months to pull all the many puzzle pieces of VBS into a beautiful picture for the week that was enjoyed by many.

Our mission projects for the week for the VBS families and the whole congregation was to help support the people of Nepal as they recover from two devastating earthquakes in the past couple months. The funds we raise will go to Lutheran World Relief as they help to meet short and long term needs in the distribution of food packages (made up of things like rice, sugar, oils and lentils meant to last a family of five for 15 days), along with shelter materials (tarps and poles), emergency water filters, quilts, and personal hygiene supplies. Thank you for helping the people of Nepal conquer challenges with God’s mighty power by sharing with those in need!

Thank you, also, for the many donations of decorating items to help build our own Mount Everest for the week.

If you have not picked up your items, please stop by the office to claim them next time you are at church.

**Prayers for Illinois Synod Leadership Lab**

This summer St. Timothy will send two high school students to participate in Leadership Lab the week of **July 27 – Aug. 1** at Augustana College in Rock Island, IL. Rachel Millard, a senior, will return to Lab for her fourth year in this excellent program, and Samuel Millard, a sophomore, will be back for a second time. They will meet and make friends as they spend a week with hundreds of Lutheran high school students from around the state participating in fun and exciting activities to help them grow in their faith, leadership skills, and learn important practical life skills.

We are excited about their interest in leading and growing their leadership skills – invaluable for life!

Please pray for Rachel and Samuel and all the other youth participating in this meaningful week – the future leadership of our church. Ask Rachel and Samuel about their experiences after they return in late July when you see them around church.

**2015 ELCA Youth Gathering**

The 2015 ELCA Youth Gathering is finally here! Ten youth and three adults from St. Timothy will be travelling to Detroit, MI between **Wednesday, July 15 and Sunday, July 19** to join with thousands of other ELCA youth from across the nation.

We will worship, study, pray and serve together as we experience God and God’s world in exciting new ways!

Please keep the following participants in your prayers throughout the coming weeks:
