

Sunday School Volunteer Descriptions

Sunday School Teacher

High School through Adult

Teach a Sunday School class about once per month using the Whirl Lectionary Curriculum. Teachers will teach the same class all year (Preschool, K/1st Grade, 2nd/3rd Grade, or 4th/5th Grade). All materials will be provided. Teachers will be given access to SparkHouse Digital, which will have leader guides, sample student leaflets, and more (all of which can be accessed by computer, tablet or smart phone)! Lessons are VERY easy to follow, SUPER fun and engaging, and involve very little preparation.

Assist in a Sunday School classroom about once per month. You can request to assist in a certain class consistently, or change classes each time you volunteer. There is NO planning or preparation involved as an Assistant/Shepherd.
